

For men within the Mankind Project:

## Compassionate Leadership Workshop

Saturday 24th to Sunday 25<sup>th</sup> June 2017

How can we more fully embody the Archetype of the King in our connection with other men and our community?

This workshop is for men who:

1. Value a thriving, connected community of men, who care about the growth and expansion of MKP.
2. Want to find a common ground upon which to stand, to resolve conflicts that arise between men.
3. Want a simple process that will support connection with people they love – whether that be in community, at home and/or at work.
4. Are interested in shifting their orientation from the “power over” paradigm to the “power with” paradigm”.

Facilitator: Alistair McKinnon, assisted by Ed Pertl and Demian Natakhan
