

# THE NEW WARRIOR®

Training Adventure

**17 - 19 August 2018**

For 32 years, the ManKind Project has offered what is described by many as the most life-changing men's training weekend available, the New Warrior Training (NWT).

This is the "hero's journey" of classical literature and myth that will help you take action to improve your life, your relationships, your family, and your community.

You'll have the opportunity to look with fearless honesty at the life you've created and make profound choices about what you want to keep, what you want to expand, and what you want to let go of.

At the NWT you'll be challenged and supported to learn about yourself. However, this is not a retreat, conference, workshop or a holiday and you must be willing to face the prospect of transformative change in your life.

This is a **modern male rite of passage** weekend where men take the first steps to unlock their potential as a centred, authentic man....
